I wish to enroll my child in the Early Adventures Summer Program. I understand that if my child is not currently enrolled as a student in Prince of Peace Preschool, I need to supply Prince of Peace Preschool with signed emergency contacts form, copy of Universal Child Health Record and immunization records. I understand that Information to Parents documents will be emailed to me for review before my child may attend the program as per NJ Dept. of Children and Families. Due to limited space, I understand that payment is refundable only up to 14 days prior to the start of program minus a \$25 processing fee.
